

MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

DECEMBER 13, 2005

The federal government has been issued a report card by the September 11 Commission on the nation's preparedness to respond in the event of a terrorism attack. They received failing grades in the areas of allocation of homeland security funds based on risk and vulnerability to an attack and for the inadequate radio bands available for first responders.

I, THEREFORE, MOVE that the Board of Supervisors direct the Chief Administrative Officer to prepare a five-signature letter to the leadership of Homeland Security, The House of Representatives, the Senate and the County delegation expressing the County's position and concerns relative to the two failing grades received by the federal government on the allocation of homeland security funds and the inadequate radio bands for first responders.
